

Continuing The Tradition

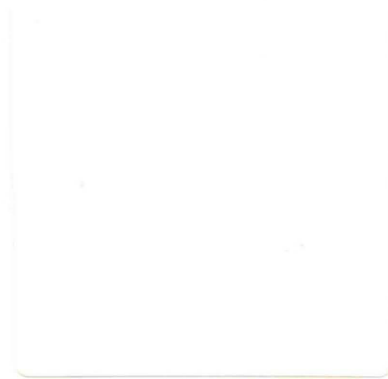

St. Michael Catholic Community

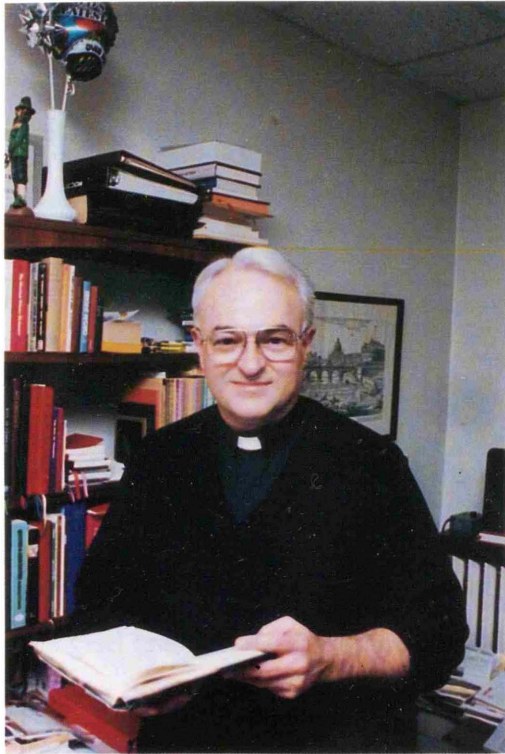

Schererville, Indiana

1995

GEN
282.
7729
SAIN

My Dear Parishioners:

One hundred and twenty years ago immigrants from around Trier, Germany, settled in these surrounding lands and established a Catholic presence. Theirs was a difficult and challenging time--to make a new life in a new land. Their personalities and their culture set the stage for a caring and hospitable Catholic community. For many years the people of Schererville WERE the people of St. Michael Parish. All the social and cultural events of the area were centered around the parish life at St. Michael's, and everyone knew everyone else. Those were simpler times, more in tune with the changing seasons of the sun.

No one back then would have ever imagined that their little corner of northwest Indiana farmlands would become a bustling, thriving community of 25,000 people, nor could they have imagined their St. Michael Parish becoming one of the largest congregations in the diocese.

These are more complex times with more complex challenges, and the Catholic presences in the town of Schererville is responding to the present. The legacy of hospitality passed down over the generations to our present worshippers is still a brilliant thread in the tapestry of our identity. Our 1995 Parish Directory is another thread in this tapestry as we embrace our Gospel unity with one another and Continue the Tradition.

God's blessings on us all!

Fr. Connolly

Father Patrick Connolly

Pastor

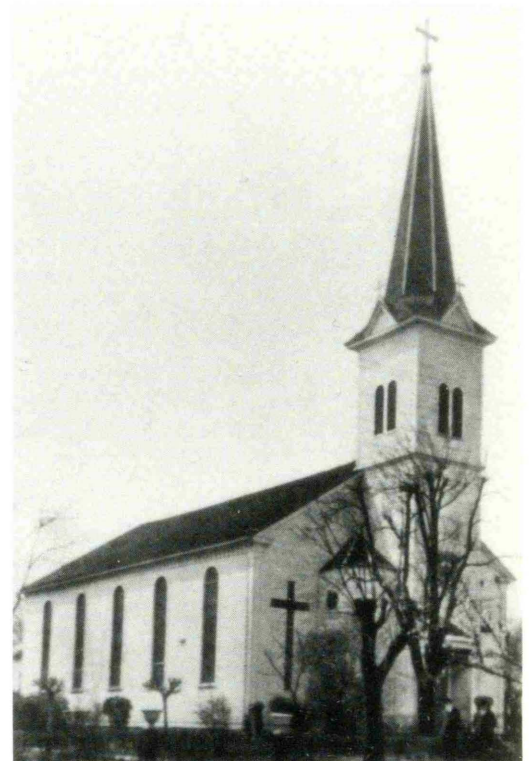

OUR HERITAGE

The ST. MICHAEL STORY begins in the late 1800's when Schererville was mostly farmland and rolling prairie, with occasional housing breaking up the landscape. By 1873, the German Catholic pioneers, tired of fighting the bad roads, inclement weather, and primitive transportation to distant churches, petitioned Bishop Dwenger of Fort Wayne for the establishment of a parish in Schererville. The bishop, reluctantly, granted the request and on September 29, 1874, he solemnly blessed a new church constructed on land donated by the town's founder, Nicholas Scherer. Fathers Meissner of Crown Point and Baumgartner of Turkey Creek administered to the parish until January, 1875, when Father Gottfried Kueng became the first pastor of the eighty family parish and it was that year that a new rectory was built.

In October, 1876, Father Kueng, unable to handle the financial administration of the new parish, resigned. Father John Bathe was appointed his successor in 1878, but remained only five months. Later that year Father Francis Xavier Deimal was named pastor. Hampered with a terminal illness, he was forced to resign in 1881. Bishop Dwenger then appointed Father William Berg as pastor on May 28, 1881. Father Berg served our faith family for 48 years. He was to become one of the most remarkable and renowned figures in Schererville History. During his tenure the parish prospered. Many improvements to our church were made. A new altar, new windows, facility was replastered and redecorated. Many societies and other parish groups were started. A great believer in Catholic education, in 1886 Father Berg arranged for Franciscan Sisters to teach in the village school lower grades and ultimately, in 1893, the parish purchased an old public school, moved it to parish property and began religious instruction classes of are students, who continued to attend public schools. Then on September 16, 1900, with a new edition in place, St. Michael School opened as a full time parochial school.

On May 20, 1928 a cornerstone was placed and construction proceeded on our present church. Our original church had served us well for fifty years, but by then it had become too small to accommodate our 90 families of approximately 400 parishioners.

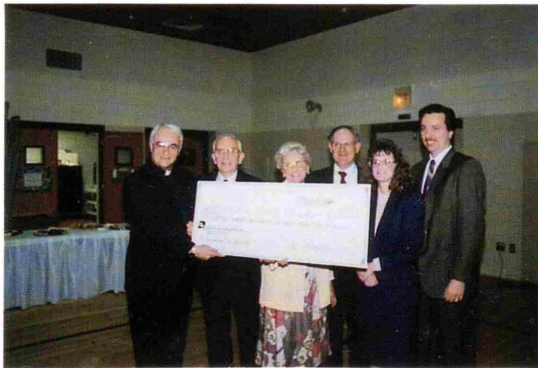

In 1987 Father Patrick Connolly was appointed pastor and he, together with a dedicated parish team, continues to lead our rapidly growing parish. Since his arrival, Father Connolly has promoted and prompted unity in our parish community. He has successfully sought to involve laity in the life of the parish in a variety of meaningful ways. He has challenged us both individually and collectively, to aspire to new heights--educationally, emotionally, spiritually, and socially.

Continuing The Tradition

Continuing the Tradition St. Michael Catholic Community

As this directory goes to print, our parish roll is near 2100 families. After much research and prayer we need to provide a worship space that is large enough to accommodate our ever growing faith family. We are in the midst of an intensive fund raising effort. The purpose of the "Continuing the Tradition" campaign is to raise the funds necessary to construct a new church, complete with a new chapel and gathering space: a plan that preserves our traditions and treasures of the past, yet will adequately meet our needs for the future.
